*Helping women & girls to
LIVE THEIR DREAMS through the
Soroptimist Dream Programs*

**Live Your Dream:
Education & Training
Awards for Women**

In 2026, we presented \$7,000 in cash awards to five recipients. This award aids women seeking to improve their economic status by gaining additional skills, training and education. Recipients may use the cash grants to offset any costs associated with their efforts to attain additional education or training. Award recipients go on to enjoy improved employment prospects, greater earning potential, higher self-esteem, and serve as positive role models for their children.

**Dream It Be It:
Career Support
for Girls** is a

program that targets girls in secondary school who face obstacles to their future success. It provides girls with tangible strategies to accomplish their career goals, and access to professional role models, career education and the resources to live their dreams. A program that will help girls grow up to be strong, successful, happy adults.

Both Dream programs help women and girls achieve social and economic empowerment, and ensure women and girls have access to the education and training they need to reach their full potential and live their dreams. Soroptimist is committed to investing in programs that have a sustainable, measurable change for women and girls.
